Attention all HEOSC families

HEOSC believes that a sense of community is important. We all want what is best for the children and families in our community and therefore; communication and transparency of our program situation is of the utmost importance.

School District 61 are anticipating increased enrolment in their schools over the next few years; this potentially includes Hillcrest Elementary. Our rental space within the school is reviewed and renewed annually each spring and is based on availability of space for the HEOSC programs to run throughout the school year. We will continue to work closely with the principal to monitor any increases in Hillcrest's enrolment. We will also continue to communicate any updates and any potential changes to our programs to provide families with as much information and notice as possible.

Our goal is to continue to work collaboratively with the district to continue to offer families in the Hillcrest community childcare. If you have any questions or concerns please feel free to connect with us.

Thank you for your understanding and continued support of HEOSC.
